

EVENT DETAILS & REGISTRATION

NWMA MECHANIC & TECHNOLOGY EVENT

APRIL 8 – 10, 2018 ● Portland, OR

Technology is ever changing; in an effort to keep your organization and technicians up to date, plan on attending NWMA's Mechanic & Technology Event

Owner/Upper Management Seminar

- **ELD II: they're Here...Now What** (*What are the true ramifications of not complying*)
- **New Opioid Rule Impacts On D & A Policy: What you need to know!**
- **ELD! Are your Policies up to date?**
- **"Kick The Tires": A Chance for the Manufacturers/OEMs to show off New & Used Equipment**
- **Onboard Cameras: How operators are using them to improve driver training.**
- **Tour Operator Exchange: Roundtable discussion on issues facing both industries**

Mechanic Training/Certification

- **Full Inspection Demonstration for Mechanics** (*what we look for*)
- **Wheel End Technology & Training: What you can see and what you can't**
- **Fundamental Braking Systems: What's Stopping You?**
- **Aftermarket Parts: Do I or Don't I?**
- **Lubrication Fundamentals & Methods**
